1. Introduction

1.1. Scope of Engagement

- 1.1.1. At a meeting of the members of The Dreyfus Fund International Limited (“**the Company**”), held on 1 July 2014 (“**the Liquidation Date**”), it was resolved that the Company be wound up and that we, Messrs. Raymond Winder and Mark Munnings, Chartered Accountants and Partners in the accounting firm of Deloitte & Touche Bahamas be appointed as the Company’s Joint Voluntary Liquidators. After receiving a directive from the Securities Commission of The Bahamas (“**the Commission**”), an application was filed with the Supreme Court of The Bahamas (“**the Court**”) to continue the Company’s liquidation under the supervision of the Court. Subsequently, an order was granted as prayed on 18 March 2015 (“**the Supervision Order**”), thus appointing us as the Company’s Joint Official Liquidators (“**Official Liquidators**”). A copy of the Supervision Order is now produced and shown to us to be exhibited hereto marked “**Appendix 1**”.
- 1.1.2. As the Official Liquidators, we hereby present our twelfth Official Liquidators’ report to the group of interested parties constituting: the Court, the Commission and the Company’s Creditors, Directors and Shareholders (sometimes hereinafter jointly referred to as “**the Interested Parties**”).

1.2. Background

- 1.2.1. The Company was incorporated under the Companies Act, 1866 on 22 May 1964 by Trust Corporation of Bahamas Limited as a company limited by guarantee and not having capital divided into shares. However, the Company’s Articles of Association provided that the Company shall have members, whose interest in the Company shall

be defined in terms of shares. The number of such shares held determined a member's interest in the net assets of the Company.

1.2.2. As per the Company's unaudited Financial Statements as at 30 June 2014, there are 101,452 issued and outstanding shares. The nominee shareholders of the Company, as at 10 January 2014, comprise the following:

1. Maridi Investment Company Limited;
2. Adansonia Investments Limited; and
3. Maridi Investment Company Limited A/C Baycom, Inc.

1.2.3. We are informed that the Company acted as an open-end fund and invested solely in shares in The Dreyfus Fund Incorporated, a United States open end investment company. Nonetheless, as per the audited financial statements of Ernst and Young, LLP, at 30 June 1998, the Company's last share issuance was in 1997 and we were advised that only redemptions from the Fund have been authorized since that time. As such, the Company's members have been considering placing the Company into liquidation for several years.

1.2.4. The Dreyfus Corporation ("Dreyfus") served as the Company's Investment Adviser, Citigroup Canada ("Citigroup") served as the Company's Administrator and the Company's Registrar and Transfer Agent was Société Générale Private Banking (Bahamas) Limited ("SG"). The Company had its Registered Office at Lyford Cay House, Lyford Cay, The Bahamas.

1.3. Sources of Information

1.3.1. Specific details of the sources of information used and relied upon are given where referred to in this report.

1.4. Limitation

1.4.1. During the reporting period we have relied on the integrity of the information and documents provided to us. Although we have sought to cross check information from different sources, to confirm its accuracy, we have not independently verified all the information and documentation upon which we have relied on during the reporting

period. In light of the above, we report solely on factual matters and reserve the right to amend this report should additional information come to our attention.
